

# Independence Seaport Museum

On the Delaware River

**KIDS LOVE TO SLEEP IN A MUSEUM!**

## TALES TATTOOS TELL

### SAILORS, STORIES & THE SEA

Saturday Overnights in January, February, March 2010

Sailors introduced tattoos to this country. Spend the night at the Seaport and explore the beliefs, mysteries, traditions, and power of the tattoo in American maritime culture. Enjoy a treasure hunt, crafts, interactive theater performance, and snack before bedding down in the galleries. Wake up to a light breakfast and tours of the Spanish-American War Cruiser *Olympia* and World War II Submarine *Becuna*. Everyone takes home a Seaport activity patch!

## Scouting Programs

Troop leaders! Bring your Scouts to Independence Seaport Museum for some maritime fun and learning. We occasionally offer badge programs for Boy and Girl Scouts so check back often - and don't forget our Seaport Slumbers - a terrific group activity.
