

# WHITEHALL WAVES FALL PROGRAM

Dear Parents & Children,

We'd like to thank you for enrolling in the Whitehall Waves Summer Swimming Program. We are looking forward to seeing you Monday, Sept 21st @ 3:30pm at the High School pool. If you attend Gockley, Steckel or Zephyr Elementary, the activity bus will be taking you to the High School Pool everyday after school until Oct 30th. Middle School children will be escorted over to the pool. Please remember to bring a swimsuit, swim cap and a towel to practice. Parents, we regret to inform you however that there will not be an activity bus to take anyone home after practice. We're sorry for the inconvenience. If you have any questions, they may be directed to the Whitehall Waves Officers listed below.

Thank You,  
Michael Missmer 610-509-3289  
Michelle Williams 610-597-4194
