SPEAKER AT OCTOBER 20TH MEETING, ANIMAL
COMMUNICATOR – BETH ANN FISHER.

The personalities of horses, especially our horses and other animal pets is a topic we're all interested in.

And on the subject of horses personalities, Animal Communication will be the topic of our next meeting on October 20th. Beth Ann Fisher, a gifted psychic and intuitive healer who is well known and respected for her care and accuracy at The Grateful Heart in Wickford will be coming to help us learn to communicate with the spirit of our animals both present and past. Bring your animals! If you are bringing a horse, please call Loie at 401-619-4624.

If you can't bring your horse, bring a photo that Beth Ann can work from. You will learn what they feel. If there is a problem with feeding or tack or an illness or pain, you will find out what it is so that you can help them specifically. If you ask about an animal who has passed you will probably learn how much they loved you .

Please remember the deadline is drawing near for the essay contest. Please have your essays in by October 31!
