

HOOF PRINT

Aquidneck Island Horseman's Association, Inc

November's pre-Thanksgiving potluck dinner meeting took place at Roseland Acres where we joined up with members of the new 501-c-3 group being formed to renovate the 20 acre stables and grounds at Roseland. Our VP Paul Bernard is working hard on this project. We toured the barn and watched a polo practice in the large indoor arena, after which we dined in the cottage on turkey with all the fixings and great desserts. The cottage at Roseland has a large room with heat and a great fireplace. AIHA is invited to bring their horses to ride through the trails and meadows of Tiverton's Pardon Grey and Weetamoo. Future speakers, seminars and trail rides were topics we discussed at the meeting.

AIHA Christmas Party

Appetizers & aperitifs will be served at the White Horse Tavern (corner of Farewell & Marlborough Sts, Newport) after which we will adjourn next door to 22 Farewell St for dinner & festivities. Please bring a raffle type exchange gift.

Roseland Acres will be implementing new programs which will support an active, enriching and fun culture for children, adults, families with special needs, and horses. The program will be an interactive and hands on program, encouraging participation through educational and physical guidance. Roseland will be enjoining a group effort with the assistance of Paul Bernard, Nancy White, Kristin Scott, Kris Baier, Cayla Almy and Tayla Perrotta to fulfill this new beginning. The farm is undergoing upgrades at present and is on target for 2011 programs to be in operation.

The group effort will grow in size as needed in the next few months to preserve the farm.

This large, necessary undertaking will hopefully enable Roseland's continued use as a working horse farm that will benefit children, adults, families and horses. Volunteers will be welcomed and appreciated as we progress forward.
