There is a yellow Woodmansee building at the top of Mechanic St.
Follow Mechanic St. for **1.6 miles**.

Go under a bridge and pass Kenyon Hill Trail.

Watch for the Carolina Trout Pond sign and **turn left onto a gravel road**.

Continue for about a half mile, following the road as it curves left.
Note the brown gate as you make the left turn, this is where the horse trail enters the forest.

Pull around in the lot and park as close to the sides as possible.

No parking is allowed along the driveway.

You may drive down to the end of the road to turn around; it is a dead end.
