Our preschool provides a nurturing Christian atmosphere for your child to learn and grow. All of our age groups incorporate subject matter areas such as math, science, music, art, and dramatic play. We offer a unique rotating schedule for your child to move from room to room to enjoy a variety of activities.

We offer class field trips and lots of hands-on experiences for the children. Once each week the classes participate in chapel time with Pastor Sam McGregor. All ages participate in a Christmas Program and an end-of-the-year program.

At Allison Creek Preschool, we realize the importance of a connection between the school and home and strongly encourage parent involvement.

The early years of childhood are of great importance. The habits, interests, and attitudes being acquired will influence the remainder of a child's life! The task of providing the most positive, nurturing, and rewarding experiences for our children is not a task we take lightly!

We encourage you to come see for yourself! To schedule a visit, please call the preschool office at 803-325-8655.
