President's Corner

I am writing this last President's Corner with mixed feelings. I have been honored to serve as GAIP's President for the last 2 years and hope that all of our members feel they were well represented. GAIP means a great deal to me and I have enjoyed getting to know and respect so many of you personally and am still looking forward to working with you as we move forward to a new year. I am also looking forward to the 2010 State Conference in September and know that we will continue to need all of our members help to pull it off.

I will be attending the NAIW International Conference in Washington, DC this week representing GAIP and also represent Region III on the Nominating Committee. I again am honored to represent a great group of hardworking insurance individuals.

Please say 'Yes' to Kathryn as she builds her board and help her when you can as support is very important to the officers. It shows that you care what is happening in GAIP and mark your calendar for the June 17th meeting for installation of officers and committee reports.

Thank you in your continued support!!!!!!!

Karin
