Club Business

We need you! May is our month to elect and appoint new officers and committee members for the 2006-07 year. Our board consists of the following elected positions: President, VP, Secretary, Treasurer and Membership. In addition, chairmanships are needed for sales committee, newsletter editor, national/state rep, hospitality, and webmaster. All of these terms are one year. Current officers, please let me know if you plan to serve for another year. Hopefully many of our board members will continue for one more year. However, if **you** can help serve your club in any of these ways, please let me know. Currently we do not have a hospitality chairman or newsletter editor so please consider one of those positions. Our membership continues to grow so we should have plenty of people to help!

We need to start meeting four times per year to take care of (the dreaded "B" word) business. We can still meet at a restaurant, as long as they have a semi-quiet place where we can talk. Let's plan to have more "formal" meetings in May, August, November, January and any other time needed.

Playdates / MUMMS Nights

It has been a while since we have had a playdate & a night out. Please pick a month that you would like to host a playdate and another month to host a MUMMS night and/or social. You do not have to have the event at your house. You just need to let the Hospitality Chairman and the Newsletter Editor know the date, time, & details of the events. If everyone picks one month, this will ease the work for everyone & will ensure that our club is continuing to provide these events. Please let me know what month works for you!

For Sale / ISO:

State / National News

- The PSPM Convention was so much fun. It was great meeting with clubs throughout the state & seeing some moms that I met last year. Next year's convention will be April 27-29 in Greenwood, SC. The MUMMS were scheduled to host a convention in 2008. However, Columbia agreed to move theirs up to 2008 & we will host 2009. The PSPM website should be up soon. Go to www.palmettostateparentsofmultiples.com
- NOMOTC Convention is in Orlando in July. You should have received your NOMOTC Notebook for more information.
