

Gourds are wonderful palettes for all types of art, with a vast array of materials available for everything from decorating crafty, cute gourds to making serious gourd art. Through 300 color images and tutorials from several contributing artists, see how embellishments can add variety to your gourd designs. Beads, metal, wire, clay, antlers, and other art materials are used to give character to a gourd mask, dress up a gourd doll, or add the final touch to gourd jewelry and holiday-themed gourd decorations. There are projects for all skill levels, whether you are new to gourds or a seasoned gourd artist. With patterns and a gallery of completed works, this is a fun book that will stimulate your creativity and inspire ideas for embellishing your own gourds.
