REDFIELD LIONS CLUB

WE SERVE

**Redfield Lions Club
Serving for 50 years**

*If serving your community
and fellowman are
important to you...
you should know more
about Lions.*

WHO ARE LIONS?

The Lions are men and women dedicated to serving those in need, whether in their own community or halfway around the world. In addition to humanitarian service, they enjoy fellowship and developing leadership skills.

The Aberdeen and Huron Lions Clubs chartered the Redfield Lions Club in January 1958.

Lionism is fun and there is so much to get out of it by getting involved. The more you learn about Lionism, the more you will want to contribute to the community and beyond through this worthy organization.

At the active level, your commitment to the club will include helping out at the major events and participating in the club's activities. As you grow as a Lion, you will likely chair a committee or even become an officer. You will enjoy the camaraderie of the club and the support the member's demonstrate to you as well as to others.

If your heart connects to the purpose of the Lions club, but your head knows you just can't do justice to another organization that requires a commitment for more of your time and energy, your support is appreciated by becoming an affiliate member.

As an affiliate member, you are recognized for your support, however, your participation in the Lions functions is on a pick-and-choose basis. We welcome your presence and assistance with activities but realize your availability is limited.

Support the Lions... Join Where You Fit
