

PEACE POSTER CHAIRPERSON
KATHERINE FRENCH

This year I am going to try to increase the number of entries in the International Peace Poster contest. Last year we had ten entries. One was a new entry from Sioux Falls Empire Lions. I hope we can continue to add to this number. I am going to try to have each club from last year send me a little information as how they encourage their school or group to participate. I plan on getting this to each club early enough that they will try some of the others ideas.

This is a great project and I know we can make it better. The idea of having kits available with the DG and myself has spurred interest. I know one District bills each club for a kit. This way at least the club looks at the information available and can see it is not all that intimidating.

Thank you for allowing me to serve on your cabinet. If I can be of further help let me know. I will do my best.
