

ZONE 3 GOALS  
2007-08

The biggest problem in the zone is diminishing membership (aging Lions).

My goals are

1. Increase new members by 6-10.
2. Invite a high school student to attend the summer youth camp.
3. Emphasize the importance of regional activities as well as global missions.
4. Encourage members to attend the state convention.
5. Stress commitment to "We Serve".

Melanie Schmidt  
Zone 3 Chairperson

ZONE 8 GOALS  
2007-08

I am responding to your request dated April 7, 2007.

1. Problem of Zone 8 Clubs = Clubs don't take advantage of the visitation of other clubs and need better response to attending Fall Forums and State Conventions.
2. Membership Goal: Encourage clubs to utilize the MERLOW program.
3. Youth: Encourage clubs to get involved by establishing a "Youth Project".
4. These areas are what I feel.

Jerry Voss  
Zone 8 Chairperson

REGION B GOALS  
2007-08

The biggest problem in the Region is small clubs with aging members as they have limited fundraising abilities.

My goals are:

1. Be more active with club visitations focusing on Campaign SightFirst II.
2. Encourage visitations between clubs.
3. Help clubs fulfill the District Governor's goals.

Barbara Stephens  
Region 4 Chairperson

REGION D GOALS  
2007-08

The biggest problem in the Region is Inter & Intra-communications.

My goals are:

1. Newsletters about club activities should be sent to all members once a month. Use the e-mail wherever possible to cut cost. This newsletter should be sent to all presidents in the zone. Also any information concerning projects such as "Pancake Feeds", "Raffles", etc. should be sent to all presidents.
2. Each club should have a "Visitation and Convention" committee to organize visitations and attendance at conventions.
3. Each club should make it a point to visit all the clubs in their zone.

LaVerne Hofer  
Region D Chairperson
