Dear Home Show Vendor,

January 28, 2010

This memo is to inform you of a change in our registration regarding the selling of your products during the show hours of the Watertown Area Home Builders upcoming Home Show scheduled for March 5, 6 & 7, 2010.

A meeting was held with a staff member of the South Dakota Department of Revenue on Wednesday January 27, 2010 and because of the results of that meeting, you will be able to sell your product line during the show hours with the understanding that a report form from the Department of Revenue will be a part of your actual registration you receive on the day you sign in that will have to be completed by you reporting your sales and the paying of sales tax by your firm. It will be your responsibility to complete this form and forwarding to the proper parties.

If you plan to sell during show hours I will need the necessary information to obtain the proper forms in advance from the Department of Revenue.

Thank you in advance for your understanding regarding this information we just received and if you have any questions, please feel free to call me at 605-881-3169.

With Regards,

Bill Ramynke

Executive Officer
