Web Site Posting Parent/Guardian Consent Form for 2008-09

COBIOBA Pack 509 Cub Scouts intends this year to expand its website, <http://www.orgsites.com/tn/pack509/>. We hope this expansion will help build pack spirit, and better communicate Scout activities to community, family and friends.

To achieve these goals, COBIOBA Pack 509 Cub Scouts may wish to post to our website photos of your child and/or your child's achievements, sometimes including limited identifying information, as described below. We recognize it is important, however, to minimize posting of identifying information about your child to the website. Celebrating your child and your child's achievements must be balanced against the need to protect your child against the risks inherent in cyberspace.

This Consent form is intended to describe potential website postings involving your child and to solicit your consent to some or all of such postings. For more information, contact Richard Wilbanks (Richard.Wilbanks@att.com)

Any parent or guardian of the child may revoke this Consent at anytime by emailing or calling (615) 972-2004 Richard (24/7).

PLEASE COMPLETE THIS PAGE AND RETURN TO YOUR CHILD'S DEN LEADER.
