

~ OFFICERS NEEDED ~

Beta Pi has been an active organization for seventy-six years. At this time, when professional and domestic demands seem to be more pressing than ever, Beta Pi is in need of completing the slate of officers for 2012-14. Please consider taking an office and doing your part in keeping this organization as active as it has been for seventy-six years. If you would like to be an officer next biennium please call Nominations Committee Chairman, Gracie Uribe-Cano, at 361-207-0436. She would really appreciate it.

Remember to bring your contribution for the raffle benefitting the convention incentive to the February meeting. Any item suitable for travel, including gas cards is welcome.

Congratulations to Debbie Redding who became a first time grandmother on November 12, 2011. Noah Andrew Verner is the apple of her eye!

Our prayers and best wishes to G.O. Garcia as she continues to receive medical treatment in Corpus Christi.
