# CKRILL MIDDLE SCHOOL PTO MEMBERSHIP FORM

**What does the PTO do?** We work together with Cockrill staff to provide both financial and volunteer support where needed. **With all the education budget cuts, we especially want to work toward providing support for Student and Teacher Needs.**

**The PTO does not have a fundraiser!** We raise most of our funds from PTO memberships, selling Spirit Wear, and selling drinks and snacks at the School Store. We also collect **Box Tops** throughout the school year so start saving your Box Tops!

**The PTO does not have a fundraiser!** I am repeating myself, right?! We have a new position on the PTO board, which is **Student / Teacher Needs**. This position will work with staff and administration to find ways the PTO can help specifically in areas that will improve or add to a curriculum. **We are asking parents for a one time tax-deductible donation to the PTO. Any donations will be put in a fund to be specifically used for Student and Teacher Needs.**
