

*30<sup>th</sup> Annual Jim Beleele Memorial  
Junior-Collegiate Regional Tournament  
Omaha, Nebraska  
June 24–30, 2007*

The Greater Houston Youth Bowling Association is a local association affiliated with the United States Bowling Congress. We are a non-profit organization run by volunteers dedicated to promote the sport of tenpin bowling for young athletes. Our goal is to provide fun, excitement, and opportunities for the personal and educational development of youth.

Youth Bowlers from the Greater Houston Area have been participating in the Jim Beleele Memorial Junior-Collegiate Regional Tournament for more than 20 years.

As you are well aware, the cost of travel can be costly. The estimated cost per person for this year's tournament will be approximately \$530. Youth bowler, \_\_\_\_\_ appreciates any donation you may be inclined to offer her/him.

Just imagine... 40 + youth bowlers, five coaches, one chartered bus filled with oodles of fun, competition and the opportunity to win scholarship funds can be a reality with your gracious donation.

Please, keep in mind that no amount is too small...\$5, \$10, \$15, \$20, etc... However, your donation of \$50.00 or more entitles you to your choice of a commemorative 5x7-tournament plaque or a 5x7-color group photo.

Thank you again for your generous donation.
