Two hijacked airliners crashed into the twin towers of the World Trade Center in Manhattan, NY. The Pentagon in Washington, DC was struck by a third hijacked plane. A fourth hijacked plane, suspected to be bound for a high-profile target in Washington, crashed into a field in Somerset County, Pennsylvania. Approximately 3,000 U.S. citizens and other nationals were killed.
The following is a memorial for those NEW YORK Police Officers who lost their lives on Tuesday, September 11, 2001

A total of 72 officers from a total of eight local, state, and federal agencies were killed when terrorist hijackers working for the al Qaeda terrorist network, headed by Osama bin Laden, crashed two of four hijacked planes into the World Trade Center towers in New York City on the morning of September 11, 2001.

After the impact of the first plane, putting the safety of others before their own, law enforcement officers along with fire and EMS personnel, rushed to the burning Twin Towers of the World Trade Center to aid their fellow New Yorkers and lead them to safety. Due to their quick actions, it is estimated that over 25,000 people were saved.

As the evacuation continued, the first tower unexpectedly without warning collapsed due to the impact and ensuing fire. A short time later, the second tower collapsed. 71 law enforcement officers, 343 members of the New York City Fire Department and over 2,800 civilians were killed at the World Trade Center site.

A third hijacked plane crashed into a field in rural Pennsylvania when the passengers attempted to re-take control of the plane. One law enforcement officer, who was a passenger on the plane, was killed in that crash.

The fourth hijacked plane was crashed into the Pentagon in Arlington, Virginia, killing almost 200 military and civilian personnel.

The terrorist attacks resulted in the declaration of war against the Taliban regime, the illegal rulers of Afghanistan, and the al Qaeda terrorist network which also was based in Afghanistan.

The contamination in the air at the World Trade Center site has caused many rescue personnel to become extremely ill and this has led to the death of several rescue workers.

On September 9, 2005, all of the public safety officers killed on September 11, 2001, were posthumously awarded the 9/11 Heroes Medal of Valor by President George W. Bush.

Prayer Pope Benedict Read at Ground Zero
April 20, 2008

"O God of love, compassion, and healing, look on us, people of many different faiths and traditions, who gather today at this site, the scene of incredible violence and pain.

We ask you in your goodness to give eternal light and peace to all who died here - the heroic first responders: our firefighters, police officers, emergency service workers, and Port Authority personnel, along with all the innocent men and women who were victims of this tragedy simply because their work or service brought them here on September 11, 2001.

We ask you, in your compassion to bring healing to those who, because of their presence here that day, suffer from injuries and illness.

Heal, too, the pain of still-grieving families and all who lost loved ones in this tragedy. Give them strength to continue their lives with courage and hope.

We are mindful as well of those who suffered death, injury, and loss on the same day at the Pentagon and in Shanksville, Pennsylvania. Our hearts are one with theirs as our prayer embraces their pain and suffering.

God of peace, bring your peace to our violent world: peace in the hearts of all men and women and peace among the nations of the Earth.

Turn to your way of love those whose hearts and minds are consumed with hatred.

God of understanding, overwhelmed by the magnitude of this tragedy, we seek your light and guidance as we confront such terrible events.

Grant that those whose lives were spared may live so that the lives lost here may not have been lost in vain. Comfort and console us, strengthen us in hope, and give us the wisdom and courage to work tirelessly for a world where true peace and love reign among nations and in the hearts of all."

AMEN
