

Camp Sunrise Parent's Questions

What to pack? (whatever you pack will be too much...except that you will need to be sure to include a raincoat or poncho, and we'll make sure the boys wear them.

Pack in a footlocker or plastic storage totes – this helps make it easier for the boys to keep their quarters neat.

Cub Scout Uniforms? Yes – Definitely! If you bought Class B's, bring them along – A MUST is your Class A uniforms. They will be worn at certain times during the week! **The Official Cub Scout Uniform will be worn during the Sunday opening and Friday closing as well as required during evening meals.**

Bathing Suits? Yes! Whether swimming or not, and regardless of swimming ability, ALL camp participants must perform a swim test.

Snacks can be brought but must be packed securely in plastic boxes (or in bags to hang up somewhere), to prevent raids from hungry mice!

Mark Everything! Have your Scout's name on everything! It will be easier to locate if it gets lost.

Money can be brought for trading post for snacks, souvenirs, and Scout stuff – but must be kept secure by the Scout.

How do I get there? A map and directions are included. Carpooling is an option if there are those willing to drive Scout and stuff to camp!

Where should we meet (we need to travel and get there together as a Pack)? We will all meet at the Wall Street Complex in Barre 10:00am (we need to be there between 1:00pm and 2:00pm – NO EARLIER). This will give us time to stop along the way for lunch or a rest break (It is a 2+ hour drive)

Can we visit? You can visit the camp as long as you register in at the Welcome Center and sign back out. Anyone who is NOT a registered leader may NOT spend the night.

Can I send mail to my Scout? Of course! Mail can be sent to:

Site Name

Benson, VT 05743

Friday Night Barbeque? Yes! All are welcome – For those joining us, Adults are \$6, child is \$4 (Scouts are free – they are already there!) You may buy tickets in advance or at the Trading Post. The meal will start at 5:00pm on Friday, August 8th.

IMPORTANT: Reminder of the buddy system – No Scout should ever travel alone! ALL SCOUTS MUST HAVE A BUDDY!

When should I pick up my Scout? After the feast! Or if you are unable to attend, Scouts should be ready to leave at 6:00pm, Friday, August 3rd.

Pack Photographs? Yes sir! You can purchase photos of your Pack at Camp Sunrise for only \$5. Photos will be taken Monday afternoon at 4:30pm. We will need this money BEFORE you go to camp.

Allergies and Special Needs. If your Child requires a special diet or diet restrictions including allergies, **it is necessary for you to let Camp Sunrise know at least two weeks in advance** so they may be accommodated!
