CAMP SUNRISE 2008 – SPACE

The overall camp theme will be “SPACE,” and will be developed throughout the camp including: Waterfront, Shooting Sports, Nature, Field Sports, Campcraft, and Handicraft. The theme will give your Cub Scouts a chance to learn about the events in Outer Space, including Astronauts, Space Creatures, and space life using costumes and themed activities, Camp Sunrise will be transformed into “Planet Sunrise.” Young entertainers will travel to the outer limits of their imaginations. Cub Scouts will dress in exciting costumes and make believe that they are Astronauts of Space Travel, Aliens, or even a slimy space creature. Sportsmanship in this theme features contests of imaginations and skill in old fashioned entertainment. Ceremonies will stress the values of old, which will be spread throughout the Planet. Camp Sunrise will give your Cub Scouts a chance to act out their fantasies and, along with you, have plenty of fun. Let their imaginations have wide range.

ARRIVAL AT CAMP

The entire pack should plan to travel by car pool and arrive at Camp Sunrise **together** between 1pm. and 2pm on Sunday. **Please DO NOT arrive before 1pm** – the staff is simply not ready to accept you!!! We advise campers and parents to eat lunch before arriving at camp. **Lunch will not be available at Camp on Sunday.**

PACK PHOTOGRAPHS

Your Pack will have the opportunity to purchase a professional 5x7 color photograph to commemorate their stay at camp. Photos will be taken on Monday afternoon starting at 4:30pm of each camp week and will be delivered to you before you leave camp that week. Please plan to come to camp with orders for your pack. UNIFORMS

The official Cub Scout uniform is required by all campers during the evening meal (unless the pack chooses theme-based costumes!) and during the Sunday Opening and the Friday closing ceremonies.

BE SURE TO PUT YOUR SON'S NAME ON EVERYTHING! Each year we receive numerous calls requesting lost items from camp. Few lost items can be returned without a name. When collecting your son on Friday evening, please check his bags, particularly, for his uniform, his jacket, and any other items he treasures. Check the lost and found box before leaving camp. Once he leaves camp it is more difficult to locate lost items.
