April Potluck & Business Meeting

Short business meeting to approve February & March Minutes

Wednesday, April 11th, 2007 at 6:30 PM

KENMORE COMMUNITY CLUB

Please bring a potluck to share!

Arrive around 6:30 P.M.

To help set up for the potluck and a little social conversation.

Presidents Message

The March meeting was rather low in attendance and no one won Marty's incentive pot, so next month a lucky member could take home \$20.00.

Even though our attendance was low there were many good ideas expressed during our open discussion of club actives. It started when the question arose about going on a field trip. Well what do you know; it just so happens that Bobbie DeCoster is in the planning stages of a trip to the ✨space and ✈️ flight museum ✨, Russ Evans and your prez. are putting together a family fun night to be held at the club for members and the general public, we will need helpers. We want to have a couple of old silent movies, board games, games for parents & kids, free popcorn, a door prize or two.

Also discussed was starting to have programs of interest at our potluck, such as a guest speaker from the business community explaining the operation of their business and similar type programs. More later on this topic.

SAFETY CHECK, did you check your Smoke Detector Battery when you sprang ahead 1 hour on March 12 @ 2 AM. If you did not "STOP NOW" and go check it.

KCC Members, we want to 📞 hear from you, e-mail ✉️ or write 📧 and mail 📬 in your articles of news or factoids to donaldivanhoe@verizon . net or Newsletter Editor, Don Ivanhoe @ 8805 N.E. 139th Street, Kirkland, WA 98034-1731 or if you wish 📞 him @ 425 823 5112. We really want your input to the newsletter.

I recently talked with 😊 Bev. Pearson, she said she is doing as well as can be expected and sends her best to all of you at the club. If you get a moment, give her a call 📞 and say hello. Also Brooks Bouillon is in good 😊 spirits and will have a short stay in the doctor place.

For those of you who enjoyed the **"RED CABBAGE WITH APRICOTS AND BALSAMIC VINEGAR and the WHITE SODA BREAD"** at the March Potluck, check out Sheri Baker's receipts in this newsletter.

Managers Report

March ended as an exceptional month, one of the highest in revenue generated and one of the busiest for your manager.

AE

Hey George Maser, your name was drawn for the attendance incentive cash pot of \$15.00 sorry you were not here, Next month the pot grows to \$20.00 which is the highest it has been since we started, Good luck to all members in attendance in April, one of you may have your name drawn.

Reports from Committees

Constitution Re-write Committee, work is progressing on the constitution re-write and the new by-laws. The committee met again on April 5th and surged forward on the by-laws. A report will soon be submitted to the board for their review and then forwarded to the members for review and passage.

Bobbie DeCoster

Audit Committee, an audit report was submitted to the board for their review and the book are in order. A recommendation was made to adopt an upgraded system that should make the paper work easier than the current way it is being done.

John Hendrickson

Pancake Breakfast Committee, Looking at a date around the second week in September and have had several volunteers offer to help.

Annette Eaton

Remember, the rent pays the way, so let's get out there and talk up some rentals. Pick up a brochure and give to a friend.

Donations for March

Bobbie DeCoster new drapes for the Woman's Restroom

Marlene Rice for the tin of coffee

We are grateful for the donations received throughout the year and as we are not a charitable organization for tax purposes all donations to the Kenmore Community Club are currently not tax deductible under IRS code 501 C4, however they are used to improve our facilities and operations.

✂ Work Party Report ✂

We had a very successful work party on March 14, Russ Evans, Phil & Nancy Carothers, Ed Straw, Annette & Bud Eaton. Russ finished up a project to construct a new crawl space access cover to match the flooring in the main hall area. The project is now completed and the cover looks great. Phil gave Russ a helping hand in the framing of the access opening. Annette & Nancy again spent some tedious time filling holes and touching up the blemishes in the walls and wood trim. Ed worked on the ongoing 2nd ceiling fan installation. The parts from the donated fans we have still don't create a fan to match the one currently in operation. Bud installed the radio that Marty Askelson donated to the garage sale, under the amplifier unit in the current chair storage room.
