Bud and Annette have returned from a short two-day trip to Klamath Falls, Oregon and are currently returning from a car show in Winnemucca, Nevada.

HOPELINK

There is still an urgent need for non-perishable food donations or cash throughout the year. You can help at any time if you are able. Please bring donations to the club at our potluck or contact Pat or Marty Askelson at 425-488-1500.

Susan Huck has submitted suggestions about our club's support of Hopelink:

The KCC newsletter regularly reminds members to donate food to Hopelink. May I also suggest that they donate plastic grocery bags to Hopelink. I have volunteered at Hopelink many times and I know that they use the plastic bags to fill with food for the needs of individuals. They also could use the larger brown paper bags to fill for larger food requests. These bags are usually doubled for added strength when they are being filled, so consequently they go through a lot of bags.

What they cannot use (as I found out) is the boxes from Costco because those boxes have been cut and many are not sturdy enough to fill up.

Thanks to those who donate to Hopelink - it's a wonderful community service.

PRESIDENT'S MESSAGE

I start this month's message with two items of change in our club:

First is the resignation of our treasurer **Sheri Baker**. Sheri has been our treasurer since the first of the year and for personal reasons has resigned effective July 22. I thank Sheri for her service and dedication in the role of treasurer as she has done a top rate job since assuming the responsibilities that go with the position and further we thank her for setting up the clubs first computer accounting system, which was a task unto itself. Board member Kathi Straw, former treasurer will act as our treasurer in the interim until a new treasurer is selected.

Second, after a long wait no one has volunteered to run the August 21-22 garage sale and the board at their July meeting decided to drop any further planning or soliciting of donations unless someone stepped up and volunteered. Therefore at the time of this writing the garage sale will be canceled. Thanks to all who have been saving items and I would suggest "St Vincent DePaul" (425-483-9497) if you have no other outlet for the items saved.

PANCAKE BREAKFAST & CLASSIC CAR SHOW

The Pancake Breakfast & Classic Car Show is still in the works with Annette and Sheri chairing the event.

NON-PROFIT ORGANIZATIONS ANNUAL PICNIC

Mother Nature cooled the day down for our, "Non-Profit Organizations 6th Annual Picnic" which was enjoyed by 60 plus visitors and club members. Again there was plenty of food and if anyone went away hungry it was their own fault.

We heard from each group and what they were doing:

The Arts of Kenmore is working on their annual Art Show scheduled for the week of August 22nd thru the 30th.

The *Kenmore Senior Center* is about to move back into the building at Rhododendron Park now that that phase of the construction has been completed.

The *Kenmore Heritage Society* has received the Rhododendron Park history panel and with city maintenance crew are installing it at park depicting the history of the old Rhododendron farm that was there in the early years of Kenmore.

The *Kenmore Library* is anticipating the beginning of construction of their new facility in the old post office location. They also put in a plug for their annual book sale at the current library location.

Finally the *Kenmore Community Club*: we suggested memberships were available, our new ramp, the upcoming pancake breakfast and classic car show and our garage sale (which has now been canceled).

THE RAMP

Marty Askelson and **Les Straw** have finished the ramp construction all except for the painting of the rail and trim. Ed has donated the material to complete the planter in front of the ramp and it will be completed when time and help is available.

E-MAIL NEWSLETTER

We have not heard of any problems with the new E-mail delivery service of the newsletter. Please, if you did not receive your e-mail newsletter (hopefully if you did not receive your copy, you read this item in someone else's copy) please contact editor Don Ivanhoe and correct your e-mail address.

Don't forget *Hopelink* and bring some canned food for our donation box. In this time of real need those of us who can help are appreciated by those in need. This is August and Thanksgiving is only 3 months away then add 1 more to make it four and Christmas is knocking at your door.
