HAPPY NEW YEAR 2007!

President's Message

Let me start with an apology for the lateness of this newsletter - my part was delayed with an unexpected emergency trip to New York State.

And now, welcome 2007, and thanks to all who have renewed their membership.

The Christmas celebration was a fun affair again this year. Everyone appeared to be in full Christmas spirit. We did note, because of her illness, Bev. Pearson missed her first ever club Christmas celebration.

Our January potluck will include the club's annual business meeting. This meeting will include the discussion of the issue raised of canceling the regular second Wednesday potluck in lieu of a rental. You may review your November 2006 Newsletter for additional information regarding this subject.

The club has received payment from the City of Kenmore for their temporary easement for the Trail Construction Project. The money was deposited in Savings, temporarily until the 2007 budget is completed and capital projects are established for repairs and remodels.

While we are on the subject of the budget, the board is pleased to announce that after a preliminary review of 2006 revenue, we have more than met our expectations for budgeted revenue, and can report a year of positive cash flow.

I thank Bev Peterson for accepting the Chair position of the Hospitality Committee for 2007, and thank Kathy Miller for her two year service of the committee responsibility.

Again, for myself and the board, welcome Sheri Baker as our new trustee to our Board of Directors, and thank outgoing trustee Brian Bailey for his dedicated service.

Please review the Committees for 2007, and if you see one that you would like to be part of, please volunteer to serve your club. Additionally, please review the scheduled work parties and mark your calendar. Please note, for those of you who are retired, we have scheduled special weekday dates for you.

Managers Report

Despite the fact that we had one cancellation due to snow and ice and two cancellations due to no power at the club, we had a good December. Total rents were \$2025.00.

I understand from other Community Clubs and Granges our size, if your rents are \$2000 in a month, you will do ok.

I am looking forward to some work parties - there is lots of work to be done.

Thanks for Hopelink donations

Let's give ourselves a big hand for the great donations for Hopelink this Christmas.

Everyone was so generous with toys for kids, some things for adults and a lot of good food stuff - all needed this time of year for families in need.

Thank you for the cash donations. We had \$105.00 in cash.

A special thank you to Pam Burress who won \$5 for our own club drawing and donated it to Hopelink. Thanks to Karen Spencer for making three small quilts we sold for \$60 for Hopelink.

I estimated our donations at \$600, a wonderful gift from our small club.

Thanks to all
Pat Askelson

ON THE MEND

I must report that club member Russ Evans has taken a fall from a ladder and has broken a few bones. He is currently recovering at home.
