PRESIDENT'S MESSAGE

"Oh" by the way . . .

Forget the storm of yesterday;
Forget you're not a millionaire;
Forget the gray streaks in your hair;
Forget even to get the blues;

But don't forget to pay your dues

-Anonymous

It's January 2010 and all club members' dues are due. To vote on issues at the annual meeting your dues need to be paid for year 2010. They are due as of January 1st and will be accepted at the potluck/annual meeting.

The annual meeting is scheduled to commence at 8PM at the Wenesday January 13th potluck. There will be a report of the 2009 audit reflecting the state of the club financially and a vote on the draft proposal of the By-Laws, and any other business to come before the members. If you have anything for the agenda please call the president so it can be added to the agenda.

If you have not had a chance to review the newly proposed by-laws, please check your November newsletter and take a look. The By-Laws committee put together the revised draft by-laws to help keep up with the changing times. We will have an open review and discussion and then if all is well a positive vote of acceptance. The draft did receive a unanimous vote for a "do pass vote" from your board of directors.

A tentative meeting agenda will be posted at the end of this newsletter.

I personally thank all members who have donated to our efforts in support of "HopeLink" in 2009 and hopefully we can outdo ourselves in 2010. Let's keep our donation box full so we can deliver it to those who need a helping hand.

MEMBERS CORNER

TRAVELERS

Welcome home **Bob**, we are glad to see you safely back from your annual trip to Hawaii and your visit with your daughter.

CHRISTMAS POTLUCK AND PARTY drew 29 members, friends and relatives. All appeared to have a good time and enjoy the festive atmosphere.

KENMORE'S ELVES are putting away the lights and taking the live Christmas tree that has graced our lawn during the holiday season. The tree will be living at its home in a Snohomish nursery until it is ready for duty for the next Christmas season.

MEMBERSHIP RESPONSIBILITY PART I

This is a story about four people named Everybody, Somebody, Anybody and Nobody:

There was an important job to be done and Everybody was asked to do it. Everybody was sure somebody would do it. Anybody could have done it, but Nobody did it.

Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

As a member of a volunteer organization what is my responsibility? First and foremost is to be loyal to the mission, goals, tasks and culture of the organization. To follow this path the second goal of a member is to take part and participate in the activities of your club.

Support, support and support, step up and join in. Ask yourself, what have I or could I have done to help make my organization a better one? Where do you fall on the scale of participation? Are you in the 33% of the doers, the 33% of the talkers without action or in the 33% of the watchers?
