March Potluck and Meeting Wednesday, March 14th, 2008 at 6:30 PM KENMORE COMMUNITY CLUB

Arrive around 6:30 P.M. to help set up for the potluck and a little social conversation.

No potluck theme, however many members were talking "St. Patrick's Day" and some even mentioned "Beef", corned that is. So bring your favorite food dish relax with friends and become informed as Dave Maehren, Commissioner with Northshore Fire Department talks about the new fire station. This evening will be the third in a series of varied informational and entertaining programs.

MUSIC THROUGH THE AGES

Upcoming on Sunday, March 16th at 2pm, The Arts of Kenmore is presenting a program of "Music Through The Ages" featuring The Kenmore Junior High School Choir at the Kenmore Community Club. There is a cover charge of \$10 Adult, \$5 Student and \$20 Family. All proceeds will be turned back to the KJH Music Boosters.

PRESIDENT'S MESSAGE

To Don Moore we extend a thank you for entertaining the club at our last potluck. Don's fingers floated over the piano keys in a very smooth style and produced some enjoyable music. His wife Mary, who was also in attendance said, "that he plays much than I do". Thank you, Don and Mary for being our special guest.

I welcome new member Pat Peltonen introduced at our February potluck by Bev Peterson.

A special thank you to Sheri Baker for her work sanding, staining and clear coating the replacement foyer closet doors. She and Annette spent about 3 hours shopping for the doors and the new women's restroom sinks and faucets. Good job ladies. Now, I understand that Les Straw and his associate will be installing the sink assemblies, while Marty Askelson has offered to install the closet doors. By potluck night we should have the new closet door installed and will be able to give you an update.

I am happy and pleased to report that Angela LaTourette has agreed to co-chair the promotions committee, if she can get someone to do the other half.

In case it has slipped your mind, remember your dues were due on January 1st of this year.

-LGE

MEMBERS CORNER

Our big ditch moves along. The workers have the re-bar in place on the east side of the 73rd Ave N.E. tunnel and are about ready to pour concrete. Take a look on Wednesday while you are at the potluck.

We really miss not having all our members attending the pot lucks to share happenings and adventures of their life with other club members. If it is illness that keeps you away we wish you a speedy recovery, however if it is a transportation issue we can make arrangements to get you to and from the club. Just give your Prez a call at 425 488 8350 or Trustee Ed Straw at 425 485 3093 and we will make the arrangements.

Remember, our editor still needs club member's news to help fill the pages of our monthly rag. Give him a call-we are still requesting your help in supplying information or informative articles of news or factoids to donaldivanhoe@verizon.net or Newsletter Editor, Don Ivanhoe at 8805 N.E. 139th Street, Kirkland, WA 98034-1731 or if you wish, call him at 425 823 5112. We really want your input added to the newsletters for all other members to enjoy and be informed.

POSSIBLE COMMITTEE REORGANIZATION

Sheri Baker proposed to the Board at the February 27th board meeting that our committee structure be reorganized. The idea is to have three main committees; Membership & Activities, Constitution & By-laws and Club Positions. The idea behind this would eliminate vacant committees and committees of one. This would allow more input from members who might be interested in participating in a small group versus taking on a project alone.

There will be comment /suggestion sheets available at the Potluck, so bring your ideas. If you're unable to attend please feel free to email Sheri at sheri@vseld.com or contact a Board member.
