“OKTOBERFEST” Potluck

**Wednesday, October 8th, 2008 at 6:30 PM
 KENMORE COMMUNITY CLUB**

Arrive around 6:30 P.M. to help set up for the potluck and a little social conversation.

You are cordially invited to the October Potluck. Think “Oktoberfest” in your dish selection for the potluck dish to share.

PRESIDENT'S MESSAGE

Please take note of the meeting agenda toward the end of your newsletter.

If you heard a rumor of the potluck being cancelled or moved to a different date, it is not happening and we will explain at the potluck on Wednesday October 8th how it got started.

Thank you to Mayor David Baker and Mayor Pro-Tem Dr. Milton Curtis. for visiting with us in their official capacity and sharing with the club some of the city plans and answering questions from members about what is happening at city hall.

SEPTEMBER ATTENDANCE INCENTIVE DRAWING

And the September winner of the \$5.00 would have been Susan Huck, but we could not find her in the building or on the grounds, so the **October** drawing will be for \$10.00. Good luck to “one and all”.

I want to thank Roland Lindstrom for chairing the 2008 Nominations Committee and Karen Spencer and Bev Peterson for serving as committee members.

Congratulations to the Andy Knight family. They were the winners of the flag garden stone door prize at the Pancake Breakfast. Lest we forget, thanks to Marty Askelson for his creativity in making the garden stones each year.

THANK YOU

Thanks to **Annette Eaton** and her crew for the awesome pancake breakfast in September. It has become a great tradition for our club members and the Kenmore community.

We are grateful for the donations received throughout the year, and as we are not a charitable organization for tax purposes, all donations to the Kenmore Community Club are currently not tax deductible under IRS code 501 C4, however they are used to improve our facilities and operations.

We are investigating and exploring a project to refurbish the roll down screen over the stage area. The restorer told us that the screen is in good shape for 60 years old, considering how many times it has rolled up and down. The plan is to get bids on all repair work and submit for a grant through 4Culture, a King County History Organization responsible to preserve history in King County. The Kenmore Heritage Society also is considering providing some funds. We will keep members advised of the progress of this project.

Another reminder, November is near and we must start thinking of election of officers. I encourage you to get involved and become more of a participant. Think you might be interested?

-LGE

MEMBERS CORNER

The September pot luck was attended by 31 members, new members and guests. New member Joe Loutsis, wife Holly, sons Nathan "Nat" and Carter were at their first pot luck of many we hope, Son Justin stayed home to do his homework.

The HopeLink box got a little fatter at the September meeting and for that the donating members should take a little bow.

Thank you goes out to Tom Spencer for the roll of double raffle tickets he donated to the club and to Helen Warburton for the 12 rolls of donated toilet tissue.

On the 11th of October at 10 AM you are all invited to the unveiling of the Kenmore History Path at Tracy Owen Log Boom Park. As you know the board in an action at their July meeting voted to contribute \$1000.00 to the Kenmore Heritage Society History Walk Project at Tracy Owen Station at Log Boom Park to purchase a panel on the path. The panels measure 24 by 36 inches and depict scenes of the history of Kenmore. The Community Club will be part of a panel titled "Building a Better Place to Live". The Community Club Building is shown; the stage pull down curtain and a parade float that was part of the Community Club sponsored Ken-Fair Days. The Community Club will also be recognized as a Pathfinder on an 11th panel with other contributors. Come and see the history of Kenmore on the panels.

MEMBERS' INPUT

Thanks to Kenmore Community Club members for submitting the following items to the Newsletter:

Bev. Pearson brought to our attention the following news release about an honor to the late Bob Bannister, a long time friend and member of our club:

On July 15, the Northshore Fire Department Board of Fire Commissioners honored Robert William Bannister, Kenmore's first fire chief, by attaching a bronze plaque to Rescue 51 in his memory. The plaque reads: *Dedicated to the memory of Chief R.W. Bannister.* Bob Bannister passed away on November 30th, 2007.

The event was attended by several family members. The plaque is attached to the front of Rescue 51.

From Andy Knight:

Thanks so much for the pictures and the flag stone, we had a great time today and the kids still can't believe they won the raffle today! Very surprised!

Thanks,

Andy

Bev Peterson submitted this verse:

NO MORE PAY

I'm on a fixed income
Sorry to say
It's hard to live on
When you get "no more pay"

You pay and you pay
It doesn't seem right
And with the price of gas and oil
Being almost out of sight

Food taxes and med
Not to mention the war
Which makes prices just soar and soar
So we go on day after day
Doing the best we can
When we get "no more pay"

I'm on a fixed income
Again I do say
It gets harder and harder
Day after day

My house is getting older
Just like me
If I fix it up there's always a fee
So you fix up your house
My, that looks nice
Guess what? that will up your taxes
not once but twice

Yes I'm on a fixed income
But I shouldn't moan
I can pay all my bills
Without taking a loan

I have my family and friends
And most of my health
So it really doesn't matter
If I don't have all that wealth

I'm happy with what I have
And I'm really doing OK
Even though sometimes it's hard
When I get "no more pay"
