Club's Purpose

The purpose of this association is to promote, or assist in promoting, social or civic enterprise of our locality; and to encourage and foster a home trade movement; to strengthen the business and social relations of the membership; and to promote the growth and development of our community.

"Remember our Men and Women in uniform who are serving around the world to protect our freedom".

Presidents Message

Fall is just around the corner as summer begins to close, and hopefully everyone had a good summer. If you have not been around the club lately, are you in for a surprise!

Sheri Baker, her mom and sister spent about 18 total hours replanting the front flower beds; your club manager and president spent a couple hours doing some final clean-up after the planting took place.

The trail project has begun, and how open we are to Bothell Way with all the trees gone and the trail lowered. Yes, construction work has started in earnest as the tunnel project gets under way. You will find 73rd Ave. N.E. closed off and on for the next few weeks, so you may have to access the club via 68th Ave. N.E.

Hopefully you get this newsletter before Saturday the 8th so you can support the annual Pancake Breakfast, if not you may miss some good food.

The club floor has received a couple of coats of Swedish finish and has taken on a better look, better than it did with all the worn spots.

Please be careful in the club house parking lot as we are in the process of installing tire stops along the front entry way.

"Elections are coming up soon". **Do I have any volunteers to serve on the nomination committee?**

SUPPORT OUR TROOPS WITH TREATS

Submitted by member Bev Peterson

I have been sending packages to my nephew and his USMC Headquarters & Service Company unit in Iraq. I was wondering if any of my fellow Community Club members would like to add to these packages - either bring something, or donate cash. I have been sending wrapped candies, canned nuts, beef jerky, dried fruits, Cracker Jack, canned cheese, Pringles chips (in the tube), canned bean dip, etc. Nothing chocolate (120 degree temperatures over there!)

My nephew, Lance Corporal Taylor Marple and his Company really appreciate all the goodies.

Thank you
Bev Peterson
LCPL Taylor Marple, USMC

PS. A big thank you for donations already received from Pat and Marty Askelson, Marlene and Eldon Rice, and Bev. and Doug Pearson. (The Company also appreciates notes and drawings.)

For more info, please call Bev Peterson at 425-775-6345.

Members update

Hey Ed, at the next pot luck how about a short tale about the trophy you won with that big white Olds. Oh and then the prez can tell of the one that was brought back from Nevada.

Speaking of your prez, we see that he had a great fall and dislocated his left shoulder, what a klutz.

I hear Brooks Bouillon really likes Chelan.

Bud and Annette are back from a short trip to Nevada for a Hamburger, Fries and a Milk Shake. (Editor's note: and an award for his cool Mustang!)
