**Please give a moment of your time and say a little prayer for the brave men and women who volunteer and are currently serving in this nation's military. We are grateful that many have been able to return from their combat duties in Iraq and Afghanistan.**

## **SETEMBER POTLUCK** **Wednesday, September 14<sup>th</sup>, 2011 at 6:30pm** **Kenmore Community Club**

Arrive around 6:30 PM to help set up for the potluck. Bring a selection of meat, salad, veggie, potato or a dish, a bowl, a pot or pan filled with one of your favorite food selections to share with the rest of the club members, family and friends.

*Remember, if you can't drive or find a way to get to the club, rides are available to members for our potlucks. Just give your Prez a call at 425-488-8350 or Trustee Ed Straw at 425-485-3093 and we will make the arrangements.*

## **PRESIDENT'S MESSAGE**

**Yes, September is really here** and it looks like we will finally be able to enjoy a little summer until the 23rd of the month when we welcome the first day of Autumn. Let's hope old man weather is kind to us for the rest of the year.

Bev Peterson turned in *Hopelink* donation receipts for 42 pounds of food equal to \$63.00 and cash of \$45.00

It is that time of the year again when we have to think about officer and trustee elections. Please refer to item "Elections" in the Members Corner of this newsletter to familiarize you on the open positions. All officer positions are open for one year terms and trustee positions of Ed Straw, Trustee at large for a one year term and Les Straw, Trustee for a two year term. I need three volunteers for the nomination committee for consideration of 2012 nominees for board positions. To all current officers and trustees up for election you need to submit a letter of intention to run for the nomination committee.

Volunteer for the nomination committee - remember, you don't have to be asked, you can volunteer. If you are interested please contact me within the next couple of weeks. Call 425 488 8350. I have not had any volunteers for the nominations committee so stand by and expect to get a call for your help.

Ready for a couple more "PARAPROSDOKIANS"? There were no complaints submitted so here we go with a couple more. To refresh your memory the definition is a "figure of speech in which the latter part or a sentence or phrase is surprising or unexpected; frequently used in a humorous situation". "Where there is a will, I want to be in it" is a type of "paraproisdokian". I will run a few of these in the next few weeks:

- *We never grow up; we only learn how to act in public.*
- *War does not determine who is right – only who is left.*
- *Knowledge is knowing a tomato is a fruit. Wisdom is not putting it in a fruit salad.*
- *The evening news is where they begin with "good evening", and then proceed to tell you why it isn't.*
- *To steal ideas from one person is plagiarism. To steal from many is research.*

## WHAT'S NEW AROUND KENMORE?

Firefighters and staff have finally occupied the new fire station, and the contractors for the most part have left the building (or have they?) We hear from reliable sources that the grand opening may be stalled until spring because of building construction deficiencies.
