Name: \_\_\_\_\_ Homeroom: \_\_\_\_\_

As we are finishing up with the second month of school, I like to have students do a self assessment for P.E. class. This month I'd like students to think about how they use the equipment in their P.E. classes.

1. I put the equipment away neatly when asked.

2. I stop playing with equipment and listen when the teacher asks.

3. I use equipment in a safe way.

4. I use the equipment as instructed and appropriately.

5. I would let the teacher know if a piece of equipment is broken.
