# LAWTON PTA BEFORE & AFTER SCHOOL ENRICHMENT PROGRAM OFFERINGS

## Winter/Spring 2012

The Lawton PTA is pleased to be continuing our before and after school enrichment programs for Lawton students. Since taking over the enrichment programs last year, we have had change in our program coordinators as well as changes to policy. We are doing our best to get a system in place that will work as we continue to support these programs. Complete the attached registration form (**one per student**) and return to the Lawton PTA Enrichment Program box in the school office or to Mrs. Parks in the gym. A minimum number of students per program will be required in order for each program to run. For more details or questions either contact the instructor directly or email program coordinator Cheryl Parks at [clparks@seattleschools.org](mailto:clparks@seattleschools.org) In addition, new policies have been put in place so please read the information in the green box below very carefully.

### Please make a note of the registration windows for the different classes.
