Saturday, November 7th, 10 a.m. - 3 p.m.

In the ETB Columbia River Room

LUNCH WILL BE PROVIDED BY SAHARA PIZZA

PROJECT LINUS TC CHAPTER NEWS

Project Linus handed out 20+ Patriotic themed blankets for the ACES Time of Remembrance Sept 26th and then stepped up to the challenge of providing 70+ blankets for a Freedom Salute with the National Guard's - Delta Company out of Pasco on October 17th. Thank you for all your efforts! The Captain of the Delta Company was so pleased, he is going to be giving the contact information for Project Linus to the deployment coordinator out of Spokane and we may find ourselves with a continuous need for patriotic themed blankets. So keep on sewing some RED, WHITE AND BLUES amongst the other beautiful quilts that you always create.

For more information on how you can contribute to this wonderful charity contact Tracy Holland at tracy.holland@pnl.gov or visit <http://www.orgsites.com/wa/projectlinustri-cities/>

The simple gift of a blanket can make all the difference to a child who is in physical or emotional pain.
