

## October 13th Craft...

### Fabulous Fall Frames

#### Supplies needed

- \* \$1 from Michaels (painted black)
- \* scrapbook paper cut to size of frame
- \* Decoupage glue
- \* 3 ribbons - (2 long & 1 short)
- \* Stickers or sayings

Apply decoupage to the frame and apply scrapbook paper and allow to dry for ~5 minutes. Then apply decoupage on top of scrapbook paper in a thin layer (do not "goop" on because then it will bubble). Allow to dry for a few minutes. Next wrap the ribbon around the frame and tie in a bow for decoration (either diagonal or vertical/horizontal). Then add your decorative sticker or saying. Now add your photo!
