

September 15th Craft...

Personalized Journals

Supplies Needed:

Journal book - We used the Mead composition book

Scrapbook paper

Magazines

Decoupage glue

Scissors

Glue stick

Stickers/saying/ect.

First take your journal book and trace the cover on Scrapbook paper; then cut out paper to fit cover; and using the decoupage glue paper onto front cover. (repeat steps for back cover)

Next tear/cut out any picture's or saying from your favorite magazines and using the glue stick to glue them onto your journal cover.

Then add any stickers or embellishments that you wish to create your Personalized Journal.
