Minutes of the Apr 4, 2008
Regular Commissioners Meeting of the
JOHN’S LAKE MANAGEMENT DISTRICT

The John’s Lake Management District commissioners meeting was held at the Mount Morris Community Center.
The meeting was called to order by President Mike Ales at 9:03 a.m.
Commissioners present: Mike Ales, John Schmidt, Ted Miller.
The agenda was presented as published for approval. Motion to approve/second/passed.
The minutes from the previous meeting had been mailed. Correction noted to list Bernadette Krentz and Dan Nowak
as commissioners. A motion was made to approve with correction/second/passed.
The Treasurer’s report was presented. Our current account balance is $9,963.06
Approval of Accounts Payable: $41 postage. Motion to approve/second/passed.

Old Business: none

New Business:

Fall water test results were presented. The most important element, phosphorus, continues at excellent (low) levels.
    There has been a gradual increase in chloride, possibly from road salt. Overall our lake remains healthy.
Budget planning 2008-2009 was circulated. It’s anticipated that there will be milfoil treatment costs again.
    $1,050 was spent this past year, compared to no treatment costs in the preceding year.
Annual meeting planning.
    Patti and Roy Asmus will attend the Wisconsin Assn. of Lakes convention Apr 17-18 and report back.
    There is money in our budget to reimburse them.
    Ted Johnson from the DNR has been invited to speak. He is new to this position.
    An audit committee will be formed by John Schmidt.
    Janelle Ales and Ted Miller will head the committee for food and drinks.
Commissioner election: John Schmidt’s spot is up for election. He is willing to remain on the board.
    Other nominations will be accepted at the annual meeting next month.
Fish hatchery stocking of the lake was proposed. We may not want to do this ourselves if the state would then
    stop their stocking of Brown Trout. We’ll clarify this with the state. It was proposed by Mike Ales that
    a committee look into building new fish cribs for the lake bottom. This will be discussed further.
Agenda addition: Wisconsin Lake & Pond Resource has sent a proposed 2 year contract renewal for our ongoing
    Milfoil treatment. Their costs have increased. Mike will explore a reduction, or else consider a 1 year
    contract which would allow us to explore other options next season.

Individual Commissioner’s Comments:
    Ted asked what notice is required for our ad in the Argus. It needs to be posted in two weekly editions
    prior to the annual meeting.

Individual Members Comments: none

Motion to adjourn/second/passed.

Respectfully Submitted,

Ted Miller, Secretary  www.johnslake.org
