May, 2007

Dear John's Lake Property Owners:

The seasonal launch of summer on John's Lake has always seemed to be Memorial weekend. It's getting close, so get ready. Because here comes summer 2007, yea ha!

Memorial weekend also means it's time for the John's Lake Management District's annual meeting. Our bylaws require the annual meeting be held on the Saturday closest to Memorial Day, and this year that is May 26.

The meeting will begin at 9:00 AM and will be conducted at the Mt Morris town hall. This is a different location than last year. The Mt Morris town hall is located in Mt Morris on the left side of Hwy 152 just over the river. As in the past, we will have donuts, coffee, and juice prior to the meeting. So please come early and enjoy the fixings while getting to know your neighbors.

The meeting promises to be very interesting. We will discuss the annual budget and you will get to vote on how the district will be spending your tax dollars next year. We will have Dave Algrem, local DNR warden, as a guest speaker. Dave has given some very interesting presentations at our meetings in the past and is always open to answering questions. A full agenda is included with this mailing.

Near the end of the meeting we will be electing a new commissioner to the board. Scott Hiss has served as secretary for more than 4 years. This year Scott's term is up, and he has decided not to run for election. So, we will be voting in a new commissioner during the meeting.

Our lake is small, so your vote can make a difference. As a board, we want to hear from you and answer your questions. So please, take the time to attend the meeting. It typically lasts an hour and a half or less, is educational and interesting, and is your chance to be heard and have an impact.

Take care, and don't forget to check out the web site at www.johnslake.org

Sincerely,

Michael A. Ales
Chairman
