

2007 2008 Whitman PTA summer camp scholarships

The Whitman PTA is once again offering some financial support to students wishing to attend summer camps to enhance their education. The following rules and criteria will be **strictly** adhered to:

*Applications for academic camps (math, computer, science, and writing) will be given first priority. Music and Art will be considered next and all others types of camps will be reviewed after that.

*Not all those applying will receive a scholarship. The number of applicants, as well as the available funds will determine how many scholarships will be given. Not all scholarships given will cover the full amount of the camps/workshops.

*If you have already paid for a camp/workshop, the scholarship can be a reimbursement with proof of payment.

*Applicants who received scholarships last year will be considered last.

*All applications must be to the office on or before **TUESDAY MAY 27. NO LATE APPLICATIONS WILL BE ACCEPTED.**

*All applications must be completed fully including all necessary signatures. No incomplete applications will be accepted.
