Each year Women's State Bowling Association contracts a block of rooms at a variety of hotels for the participants of the 2012 Women's State Bowling Championships. By booking inside the block you can help maintain our strong business value, which is crucial to our negotiations with cities and cost-containment efforts. To allow the Women's State Bowling Championships to continue to add value to the event and keep registration costs low, it is critical that participants of the 2012 Women's State Bowling Championships stay at contracted hotels.

Reservations must be requested through Gloria Behr due to limited availability.
