

Vertigo Winter Guard

Dear Sponsor:

Through an audition process, I have been accepted to perform with Vertigo Winter Guard for the 2012 Competitive Season. Vertigo Winter Guard is an independent winter guard based in Huntington, WV. Vertigo will be competing in a Winter Guard International circuit again this winter. There are costs involved with my participation, which include travel, housing, costuming, performance equipment, and competitions. I would be extremely grateful if you would consider sponsoring me in this life-changing endeavor. 100% of every dollar of your sponsorship goes directly to cover my expenses while performing with the team.
